## Pre-Conference Workshops

8 a.m. – 4:30 p.m.

### P101 Getting Your Feet Wet: Your New Role in Nursing Professional Development

*Pam Dickerson, PhD, RN-BC, FAAN, Director of Professional Development, Montana Nurses Association*

*Sue Johnson, PhD, RN-BC, NE-BC, Principal of RN Innovations LLC in Fort Wayne, IN and practitioner as NPD with more than 20 years of experience.*

Welcome to the world of nursing professional development! This full-day workshop is designed for nurses new to this nursing specialty. Using a standards and competency framework, we will explore the roles and responsibilities of the nursing professional development practitioner from the perspectives of activity planning and presentation, developing and measuring outcomes of success, working with internal and external stakeholders, addressing fiscal accountability, facilitating inter-professional continuing education, meeting accreditation and regulatory requirements, and much, much more!

Join us for an interactive session to learn, network with colleagues, and increase your confidence in your new role! Expected Outcome: Develop a competency-based framework for functioning in an NPD role.

8-hour session

8 a.m. – Noon

### P102 Holistic Nursing 101

*Lourdes Lorenz-Miller, DHA (c), MSN-IH, RN, AHN-BC, NEA-BC, President, American Holistic Nurses Association*

*Sarah Weaver, MSN, FNP-C, HN-BC, Integrative Nurse Practitioner, Parkview Physicians Group and Holistic Nursing Outreach and Empower Leader, Fort Wayne, IN*

Have you always wanted to learn more about the practice of holistic nursing? Here's your chance! Spend the morning learning the core values and standards of holistic nursing.

4-hour session

10 a.m. – Noon

### P103 Question, Persuade and Refer (QPR) Training

*Alice Jordan-Miles, MS, Ed, Director, Behavioral Health & Family Studies Institute and Faculty, College of Professional Studies, Purdue University Fort Wayne, Fort Wayne, IN; Director, Indiana Suicide Prevention Coalition and Immediate Past-Chair, Indiana State Suicide Prevention Network*

QPR stands for Question, Persuade and Refer. Just as people trained in CPR and the Heimlich Maneuver help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. The training is taught in a clear, concise format using the latest in educational technology and practices. The course takes approximately two hours to complete.

As a QPR-trained Gatekeeper you will learn to:

- Recognize the warning signs of suicide
- Know how to offer hope
- Know how to get help and save a life

Key Components covered in the training:

- How to Question, Persuade and Refer someone who may be suicidal
- How to get help for yourself or learn more about preventing suicide
- The common causes of suicidal behavior
- The warning signs of suicide
- How to get help for someone in crisis

QPR Suicide Prevention Training is an evidence-based training listed on the National Registry of Evidence Based Program and Practices (NREPP).

2-hour session

12:30 – 4:30 p.m.

### P104 Getting Back to Our Roots: Implications for Your Nursing Practice

*Margaret Erickson, PhD, RN, CNS, APHN-BC, Chief Executive Officer, American Holistic Nurses Credentialing Corporation*

Reconnect to nursing's roots, gaining a greater understanding and application of holistic values for transformation of health care.

4-hour session

## Pre-Conference Workshops (continued)

1 – 3 p.m.

### P105 Question, Persuade, and Refer (QPR) Training
